## **TeamSAI assists Frontier Airlines Holdings Regional Airline Start-Up**

Denver – Lakewood, CO based aviation consultant, TeamSAI, Inc., has been selected to assist Frontier Airlines Holdings, Inc., with the start-up of LYNX Aviation dba FrontierExpress. With their announcement to purchase ten Bombardier Q-400 aircraft, Frontier Holdings has begun the process to start-up a wholly owned subsidiary airline enabling the expansion of service to regional leisure and business travel destinations. The first aircraft is scheduled for delivery in May 2007 with the first flight planned for mid-July 2007.

“Meeting the demanding schedule for the complex activities leading to start-up including FAA Certification will require the oversight of an experienced group of advisors,” said Tom Nunn, President of LYNX Aviation; “The start-up experience of TeamSAI combined with their clear understanding of aviation operations in the Rocky Mountain Region will be essential for us to meet our schedule and we are very pleased to have them on our team”.

Bill Bottoms, TeamSAI’s Executive VP & COO, who will serve as Executive Project Manager for the LYNX start-up commented; “TeamSAI is very pleased to have been selected as a key part of the LYNX start-up. The executive leaders of our firm each have more that twenty-five years of experience in airline and aviation industry related operations including the certification and start-up of several new airlines.”

TeamSAI, Inc. is an aviation and business innovation consulting firm founded in 1990 with offices in Denver, Atlanta and Boston. Their resources include the breadth and scope of experience necessary to provide the practical advice, problem solving, strategic planning and project management required to support all aspects of the LYNX Aviation start-up activities.
